HAUTE COUTURE COLLECTION

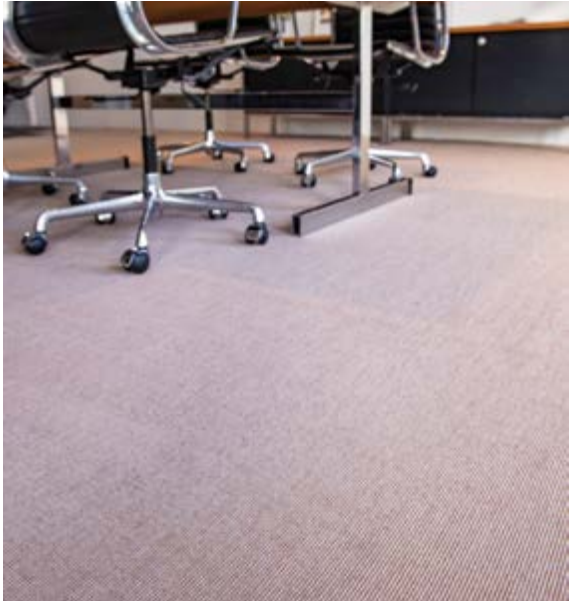

HAUTE COUTURE
DESIGN XL

A black and white photograph of a textile mill. The scene is filled with large rolls of fabric, machinery, and structural beams. A bright light fixture hangs from the ceiling, casting a strong glow. The text "TAKE A WALK ON THE WIDE SIDE" is overlaid in the center in a bold, white, sans-serif font.

HAUTE COUTURE DESIGN XL

Haute Couture adds two new structured designs in 440 and 450 cm width. «Vibration» and «Illusion» are minimalistic looking surfaces available in maximal width. The 100% ecological PET backing, makes sure you enjoy the softness even more. Its spacedyed effects and subdued colours make the Haute Couture Design XL suitable for commercial and residential projects

VIBRATION

ILLUSION

VIBRATION

VIBRATION is a sleek faux uni in soft, subdued colours.
It looks great in the living room but also in the CEO's office.
The comfort backing gives the feeling of walking on a cloud.

ILLUSION

ILLUSION throws in multi coloured stripes and a touch of roughness.
It is most suitable for commercial purposes, landings and corridors.
With a subtle touch of colour, it will bring life to your interior.
A thick felt backing adds comfort, both acoustic and elastic.
