

Splendore
di Venezia

Splendore di Venezia

"Sunrise's path began as a river of light, carrying floating light
taking imagination with colors of silver, then turning to clean, quiet blues,
onward to golden glory

Brilliance takes her throne, every eye squints and all subjects are warmed
by her reign.

Good morning Sun.

Moonlight sparks and pops and flashes fireworks
of silent explosions into our eyes and hearts.

Yea, this light of day and light of night
both stopping our world with splendor upon splendor"

Hannah Lewis , August 2018.
