## Carved

The rich pile structure of our world renowned velvets – Richelieu Velours (40 colours) and Président (16 colours) is accentuated by a distinctive carved line. The rugs come with an integrated recycled PET backing and are stocked in no less than 16 different sizes.

## Leather

Add an extra touch of class by including a leather strip in the carved gully. A feature that makes your rug look even richer and more exclusive. The rugs come in the same finish and have the same characteristics as the "Carved" version.

## Fantasy

Wilton rugs fabricated in 16 different sizes in our classy Richelieu and President velvets, with a total of 900 different colour/size options. We've added some fantasy by giving every rug colour its own contrasting glossy overlocking around the rug.

## Jackies

The suggestive nickname for our jacquard wilton rugs, reminiscent of the booming sixties. These structured rugs come in many yarns, colours and 15 designs to constitute an exhaustive collection, available in 10 different sizes. A contemporary "blind finish" gives the rugs the subdued modern look that will undoubtedly match your interior. The recycled, integrated PET felt backing adds plenty of comfort.
